PEARL KILBY HOME

HISTORY

Mountain View Institute was established in 1912 by the Stone Mountain, Brushy Mountain and Elkin Baptist Associations. In six years the Baptists of this section, aided by the Home Mission Board of the Southern Baptist Convention thru the leadership of Dr. A. E. Brown, of Asheville, N. C., have founded and equipped a school plant valued at $32,000.00. In six years the school has had three graduating classes, the number of graduates doubling each successive year.

AIM

This school exists in order to train Christian leaders and educate boys and girls thru the high school period under Christian influences in order that they may be prepared for college entrance and for life's duties.

Those who have a desire to make the most of life, who have a genuine purpose in coming to school, who have the right spirit and ideals will be happy here.

LOCATION

In the country, away from the distractions, the noise and the temptations of town life is located Mountain View Institute. A magnificent amphitheater of hills and mountains surround the village. Those who dwell here never tire of the majestic Blue Ridge Mountains which lie toward the west and the Brushies towards south and southeast.

Two daily mails, telephone and telegraph connections put the school in touch with the world.

A well graded road, which is soon to be top-soiled, connects the village with North Wilkesboro and other points.

HEALTHFULNESS.

The healthfulness of the place is as good as can be found in Western North Carolina. Being situated on a ridge, the grounds of the school are well drained. The invigorating air quickens the ambition of those who are so fortunate as to have the opportunity to enjoy it.

BOYS' DORMITORY

REGULATIONS

All bills payable monthly.

Boarding students are subject to the authority of the school at all times during their stay.

Boys and girls of over 14 years of age, of good character and good health, may be received as boarding pupils.

No girl, going home for the week-end may come back to the village and remain away from the dormitory without permission of the lady principal.

Students are held responsible for damage to property.

Parents are requested to notify the principal or lady principal when they desire the absence of their sons and daughters.

No pupil will be excused from church attendance, home duties, or daily exercise.

Cigarette smoking, card playing, drinking, profane language forbidden.

Pupils who continue to fail on their recitations and refuse to study will not be permitted to remain in school.

Considering the equipment and advantages offered by this school, we do not believe boys and girls can find a school in all this section which they can attend at so small a cost.

WHAT TO BRING

The rooms are partly furnished, but each pupil should bring a pillow, two quilts or blankets, one white counterpane, one pair of sheets and pillow cases, covers for washstand, bureau and table. Napkins, towels, pictures and other toilet articles.

Pupils coming on train to North Wilkesboro reach Mountain View by automobile in less than thirty minutes. If the principal is notified, pupils will be met at depot. For further information, address James M. Hayes, Principal Mountain View Institute, Hays, N. C.

HOME OF J. S. KILBY, Chairman Board of Trustees.

COURSE OF STUDY

Intermediate Department.

First Year.

Spelling,
Reading, (Texts to be selected or follow required work in State course.)
Language,
History
Arithmetic
Hygiene
Geography
Writing.

Latin—Virgil's Aeneid, Books I-VI. Grammar and Composition.

Bible. S. S. Normal Manuel (3 periods a week.)

American History—A course in American history for advanced pupils (2 periods a week).

OTHER DEPARTMENTS

Music

The course of study includes all grades of studies and compositions required for the best development in execution and interpretation of music. We offer a course that will meet every requirement of foundation work, class lessons consisting of the principles of Theory, Practical Harmony, Ear Training and Musical History emphasized. It will be the aim of the teacher to adopt the instruction to the personal needs of the student.

Nature has generously shared the best gifts with this place.

Sanitary conditions are carefully guarded, and the health of the students closely watched. In short, every precaution is taken to make all comfortable and well. Medical attention, if necessary, may be had promptly.

ATHLETICS

Feeling that outdoor exercise is essential to good health and proper study, the faculty encourages the pupils in all kinds of outdoor games. The institution has a tennis court, a base ball diamond and ample room for any other grounds which may be desirable.

RELIGIOUS EXERCISES.

Each day is begun with prayer and song. The monthly church services, the weekly prayer meeting, the well organized Sunday School, the B. Y. P. U., the Young Ladies' Auxiliary, and the Sunbeam Band furnish opportunity for personal work as well as growth in Christian living. All students are expected to attend religious exercises.

LIBRARY.

The school has as yet a small library to which pupils have free access.

SOCIAL LIFE.

In few schools is there such close touch between teachers and pupils. Living in the same dormitories, eating with them, sharing their joys and sorrows, their pleasures and serious duties, the teachers become the devoted friends and advisers of the pupils. In order that the social side of every boy's and girl's nature may be correctly developed, receptions and calling hours are occasionally permitted by the faculty. A picnic is usually given at the Easter season.

LITERARY SOCIETIES.

The faculty realizes the importance of this agency in the work of education and plans to stress this work among the young women and young men.

Work in the literary societies is required for graduation.

Medals are offered to winners in Declamation, Recitation and Debaters' contest at Commencement and one each for girls and boys who make most improvement in society work.

LOAN FUND

A Loan Fund has been granted the school by Dr. A. E. Brown, Supt. of Mtn. Schools, and other friends of Mountain View. Deserving boys and girls who want aid in securing an education may apply to F. B Hendren, Wilkesboro, N. C., who is attorney for the board of trustees. Mr. J. O. Brewer, Dockery, N. C., has the honor of being first to give to this fund.

ROOM AND BOARD.

Board will again be given on the cooperative plan. The expenses of the month will be added up and divided by the number of pupils in the homes. Pupils are expected to advance $5.00 on entrance and pay bills monthly. The $5.00 will be counted off the last month or when the pupil leaves.

Regular charge for rooms is 75c per month. If the homes are not crowded, a pupil may elect to room alone for an extra charge of 50 cents.

Pupils desiring rooms in the Pearl Kilby Home for Girls or the Boys' Home should apply to the principal.

Girls and boys are expected to work forty minutes per day. Extra work is expected on Saturday. This division of labor promotes a spirit of helpfulness and industry and enables the school to co-operate with parents in getting the lowest rates possible.

MINISTERIAL STUDENTS.

Recognizing the importance of an educated ministry, Mountain View offers free tuition to young men who have been licensed to preach. Sons and daughters of active Baptist ministers pay one-half tuition.

BUILDINGS

There are three buildings on the grounds. The administration building contains the auditorium, the class rooms, library and society halls. The Pearl Kilby Home for girls, a steam-heated building, provides for forty girls. The Boys' Home, which has not as yet been fully equipped, affords room for forty boys. All these buildings are new, attractive and comfortable.

GRADES AND REPORTS.

Grades are based on the daily recitations, frequent written tests and examinations held at the end of term. Monthly examinations will be held for pupils who miss three or more recitations on any one subject. Reports are sent to parent or guardian soon after examination.

TUITION

Intermediate

First year, per month	$2.00
Second year, per month	$2.25

Academic Department

Quality Is the Vanguard Of True Economy

Quality is the measure of usefulness and service a purchase yields. Economy lies not in spending the least but in gaining the greatest advantage through the money spent. Quality is Economy—cheapness is extravagance.

This business was founded on Quality and it has prospered through a rigid adherance to the policy of giving to our public an ECONOMY SERVICE as true as steel. Out of these economies we have built a confidence that we cannot afford to lose. Our customers know that every article purchased here is backed by our guarantee, and back of this guarantee is a reputation that has been built on QUALITY MERCHANDISE AT FAIR PRICES.

Our new lines will be very complete, and equal to supplying your demands as in the past, in Millinery, Suits, Coats, Dresses, Dry Goods and Fancy Notions.

Prompt and careful attention given Mt. View mail orders as well as courteous service when you call.

The Peoples Clothing Store

VALUE
Is the
True Test
of
Cheapness

A Record We Are Justly Proud Of

The Peoples' Clothing Store was established just five years ago, Feb. 1919. It was decided at the start to furnish good, staple merchandise at a price in the reach of everyone and if possible to sell as good goods at as low price as was possible and at lower prices than others. Now, after 5 years the great gains made in sales will prove hat all competition has been met, that the many customers have been and are being satisfied.

For our sales increased for 1918 over 1917 over 55 per cent.

and for first 5 months of 1919 still an increase of over 50 per cent over same period a year ago which gives us a record that we are justly proud of.

We thank our customers for their good will and loyalty.

DOCTOR ASTOUNDED OVER RAPID RECOVERY

Denver Nurse Saves Life of 16 Months Old Baby With Brame's Vapomentha Salve.

"It made me very happy to save the little one" writes Mrs. H. E. Pell, a trained nurse of Denver, Colorado, in a letter to the manufacturers of Brame's Vapomentha Salve, telling how she saved the life of a 16 months old baby who had Pneumonia after Influenza.

"The baby was turning black and almost dying. I rubbed some of the salve on it and in about half an hour it vomited a very large amount of mucous and improved very rapidly; in fact, so rapidly that the attending doctor was greatly astounded, as he had given the child up."

Mothers everywhere would do well to profit by the experience of this trained nurse and keep a jar of **BRAME'S VAPOMENTHA SALVE** in the medicine cabinet ready to combat the nightly croup attacks and to prevent and overcome pneumonia in babies and the grown-up members of their families. This Salve is a perfect, quick remedy and preventive for these two certain and dangerous diseases, and unlike other external Croup and Pneumonia Salves **will not stain the clothing.**

Vapomentha Salve has been used extensively and with excellent results in the treatment of Spanish Influenza, etc. Splendid for Coughs, Colds, Catarrh, Hay Fever, Asthma, Rheumatism, Piles, Stings, Burns, Headache, Toothache, Neuralgia, etc. Does not interefere with any internal treatment.

Price 30c, 60c, and $1.20.
